

# Business Owner Health Insurance

Accident | Hospital | Wellness | Illness | Dental | Vision | Life | Disability

1. Many small business owners qualify for IRS Section 105  
100% tax deductible expense for their health insurance  
This includes over the counter medication and all medical expenses
2. Businesses miss tax benefits under IRS Section 125 for providing health benefits to their employees. Under current tax law the employer saves 7.65% on employment taxes\* plus other tax benefits under the Covid19 laws
3. Business Owners may miss tax benefits of IRS Section 213(D)
